WHY TITLE A DOG?

Not just a brag, not just a stepping stone to a higher title, not just an adjunct to competitive scores, a title is a tribute to the dog that bears it, a way to honor the dog, an ultimate memorial. It will remain in record and in memory for as long as anything in this world can remain. Few humans will do as well or better in that regard.

And though the dog itself doesn't know or care that its achievements have been noted, a title says many things in the world of humans, where such things count.

A title says your dog was intelligent and adaptable, and good-natured. It says that your dog loved you enough to do the things that please you, however crazy they may have sometimes seemed.

And a title says that you loved your dog, that you loved to spend time with it because it was a good dog, that you believed in it enough to give it yet another chance when it failed, and that, in the end, your faith was justified.

A title proves that your dog inspired you to that special relationship enjoyed by so few; that in a world of disposable creatures, this dog with a title was greatly loved, and loved greatly in return.

And when that dear short life is over, the title remains as a memorial of the finest kind, the best you can give to a deserving friend, volumes of pride in one small set of initials after the name.

A title earned is nothing less than love and respect, given and received, and permanently recorded.

Farrah

2008 - 7/13/2022

American Eskimo "Farrah"
Farrah BN CGC
Beloved Pet of William Dennis & Caroline Rice

Farrah was found chained outside of the Kansas City Humane Society. The next day she was taken by Heart Bandits, American Eskimo Rescue. Three days later she had a litter of puppies. Once the pups were adopted, we were given the opportunity to adopt Farrah. She was a much-loved pet who lived with Caroline, but she gave first allegiance to William for the next 13+ years.

William started training Farrah when he was 8 years old. They did 4-H together, and when he was 10 they entered their first competition. For the show portion, Farrah danced. William and Farrah won First place, and they also got a blue ribbon in obedience. William showed Farrah in AKC and they accomplished the Beginner Novice level. Farrah and William continued to train at home and at various spots around town, and until near the end of her life, he always did a little sit, come, down for a treat when he left the house.

During high school, William spent many nights here at our house and Farrah and William always went to bed together. She was his comfort blanket. This past year William has been at UNL, but he came home often to see his Farrah. William held her as she went to sleep for the last time.

Lily

5/1/09 - 9/8/22

Sharon and Scott Dowell - Smooth Collie
"Lily"

URO1 L'Gacy Lovely Lily
CD PCD BN RN HT PT CGC, RL1-AOE

Lily introduced us to the world of dog sports and was our first purebred dog. She showed us the world of herding and obedience/rally, and she was our gateway to what has become a big source of joy in our lives today, working with our dogs. She even influenced where we now live, moving from the suburbs to our own little farm with sheep.

Lily was always loving and always a lady. Even while walking through a pasture of muck and mud, border collies running around flinging it everywhere, she could somehow find a civilized path to strut along and keep watch over everyone. Looking out for the two-legged family who loved her was Lily's main goal every day. And she did it superbly. She had an emotional intelligence that was remarkable.

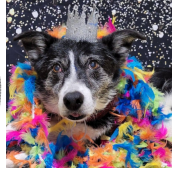

What I miss most about my beautiful Lily is her checking on me throughout the day, making sure I was ok, and letting me know that she cared and was there for me. I am certain that she loved us completely, and she knew she was loved deeply. I did not know how much you could love a dog until Lily came into our lives. I am a little lost without my lovely Lily, and not a day goes by that I don't imagine she's poking me with that long collie nose, letting me know she's right there by my side.

Run free Lily. I know you're waiting for us at the bridge.

Belle

7/14/07 - 6/16/22

Mary Palmer - Border Collie "Baby Belle"
FGDCH FG50K Belle MBDCH-G Iron Dog

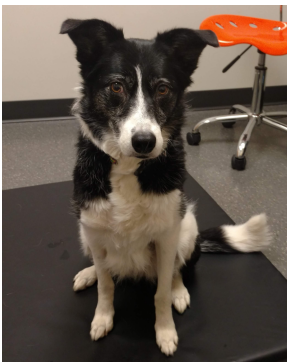

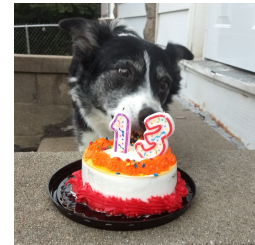

The Ball Driven Bandits was Belle's team and what she loved to do. Outside of competing with her team, her favorite thing to do was retrieving balls. Belle was relentless to have me throw her balls as long as there was a ball anywhere in sight. When Belle wasn't playing fetch or competing with the Bandits, she was a calm dog that always wanted to be by my side. She was my velcro girl that followed me everywhere I went. Never a night went by that she wasn't right next to me. Belle loved food. She was a food hound, even in her final days. Belle will always be in my heart and never forgotten. When I see a rainbow, I know that it is Belle shining through.

Poem in Memory of Belle - Look for Me in Rainbows by Conn Bernard

Time for me to go now, I won't say goodbye;
Look for me in rainbows, way up in the sky.
In the morning sunshine when all the world is new,
In the evening sunset, when the world is through.

Time for us to part now, we won't say goodbye;
Look for me in rainbows, shining in the sky.
Every waking moment, and your whole life through
Just wish me to be near you, and I'll be there with you.

So be brave without me, one day
we'll meet once more
For when you're called to Heaven,
I'll be waiting at the door.

Randy Frady

1/13/58 - 6/7/22

We were all deeply saddened by the loss of long-time BDOC club member Randy Frady in June. Randy was just a year away from life membership in BDOC. He was always there to help us with our events, whether it be agility, herding, or obedience. On a personal level, we will all miss his wonderful smile and his unwavering friendship. Randy's dogs have all found good homes, and we can take comfort in that. Rest easy old friend, we will see you again some day.
